Hey ✋,

Thanks for downloading Beera, A free HTML template designed and developed by @heyarviind, founder of UICard.io

What is UICard.io?

UICardio or UICard.io is platform where we publish free and premium themes, UIKits and Dashboards. Our aim is to make the web a beautiful place and to help the developers with their frontend part.

Need a custom design?

If you are looking for different design or a template customization, contact us and we will be glad to help you.

Have any query?

If you have any question regarding our service or products you can reach us at contact@uicard.io

Enjoy our template,
Arvind
